Dolphin Bay: Children's Interactive Playground

Dolphin Bay's dry land area features a challenging low ropes course, bouldering rock wall and mini zip lines. Our water play area is equipped with an anti-slip Rubaroc surface complimenting the seven children's water slides, fun fountains, interactive water toys and two 800 gallon tipping buckets.

Caribbean Cove

Imagine lounging in a tropical paradise at a Caribbean island resort, surrounded by turquoise water, lush landscape, and spectacular waterfalls. Sip your favourite drink, dance to steel band and island rhythms. Relax and let the gentle breeze caress you while our staff entertain you with pool side games and live performances.

Wave Pool

Ride the surf in our 1/2 acre wave pool and soak up the sun on our spacious deck. The wave pool provides hours of fun for the whole family.

And Much Much More!!!
