

COMMUNICATION COMMITTEE REPORT- (2016)

The Communications Committee hopes to connect more effectively with the membership and with our elective representatives in shaping a collective vision as well as each other as part of a greater community. The Committee is currently working on Issue 2 of 2016. Speak up and speak out, get involved and participate! The next newsletter will include a link to an online poll and the committee would appreciate your feedback.

YusApuY works for YOU, the Membership and as such you should speak up! Loss of YUSA jobs to CPM, the rising issues with interns being placed in departments and membership concerns being addressed in a timely fashion are just some of the concerns being voiced.

The Committee's 2016 mandate is to connect with YOU, the YusApuY Membership and to provide relevant content on the state of Unionism. We hope to bring you more Union news and events taking place across the University, the province and Canada as well as staying connected through our more immediate channels: Facebook and Twitter

Let your voices be heard! Share it; opinion pieces, comments, pictures, we want you to have your say. If you wish to see specific content, drop us a line at yusatimes@gmail.com.

Union membership is like a gym membership.

You can pay your monthly dues, but if you don't show up or participate, you do not become stronger.
