

## May 2016 Bargaining Committee Report

### Unit 2 Bargaining

The Unit 2 Bargaining Committee developed a bargaining survey that will be sent out to the Unit 2 membership shortly in order to determine specific bargaining concerns. It was the intent of the Union and the Employer to start bargaining early in the year. However, given that many Unit 2 members are not on campus during the summer months, it was difficult to find dates that would work for all parties. Dates have now been scheduled for bargaining to begin in mid-October. This timing will enable the Unit 2 Bargaining Committee to develop bargaining proposals in anticipation of the bargaining process. We will keep the membership informed of our progress.

In Solidarity,

Wanda Hollingshead and Paula Gowdie Rose  
Co-Chairs, Bargaining Committee
